

## Bonner County Resource Assessment & Priority List (Bonner CD)

Program	Assessment		
Lead Implementer	Bonner Conservation District		
Funders	Bonner Conservation District, Idaho Department of Environmental Quality, Idaho Soil and Water Conservation Commission, Local Governments		
Project Primary Contact	Brad Shelton (Brad.Shelton@swc.idaho.gov)		
Project Stage	Deferred	Duration	2016
Estimated Total Cost	\$12,600.00	Secured Funding	\$4,000.00
No Funding Source Identified Yet	\$0.00	Targeted Funding	\$8,600.00

### Studies, Plans, Monitoring & Assessment > Assessment

The district has taken some preliminary steps regarding a resource inventory in Bonner County. To take this process further, funding will be needed to hire someone to coordinate with state, county, and local agencies to gather the information and compile it in a format usable by the district and other agencies. After a review of this information, a list of projects prioritized by urgency would be given to the district board for their consideration for future projects.

*Tracker tells stories at a broad-brush level. Individual project performance measures and expenditures should not be relied upon for complete and total accuracy and should be confirmed with a project's lead implementer. Project locations subject to confidentiality provisions under state and federal law specify the location of a local conservation district or USDA service center office.*
